Clerk reported that the Clerk's and Treasurer's books balance at \$219,411.52, prior to the meeting.

The Sheriff has not attended for a couple of months. Crocker will contact him to see if he can send a representative in his place.

Assessor Nancy Vandervest reported that she meets with the State Auditor on June 23. Board of Review will meet on July 21 at 1 p.m. She is beginning to do land sketches for each parcel in the Township.

Susan Evans, Senior Services Coordinator, gave an update on upcoming activities, including Senior Expo on June 18 and a tour of White Pine Village on July 7.

Kevin Miller reported that the Fire Authority has purchased 7 hot spots for the medical trucks. They are working on a Job Description for the full-time position. Discussion was held on the Public Safety Revenue Sharing funds that were received by municipalities in the County. Seventy-five percent of the funds must be used for law enforcement and 25% can be used for other public safety, including the fire departments. If all of the municipalities in the Authority were to give their 25% to the Authority, they would generate approximately \$8,000.

Harold Morse asked if we received a bill for stump grinding. He had contacted two businesses for bids but the stumps have already been ground down. No bill has been received.

Larry Hoffman reported on Clean Up Day. He suggested that next year we plan on only 3 dumpsters on Friday. Also, letting residents know that if their items aren't bagged or boxed, they must unload it themselves. Regarding the tire trailer, a 53' trailer was almost full—close to 1,000 tires were collected. Many people asked if we will get the trailer again next year and it was decided that we would if grant funds are available.

On the recommendation of the Interview Committee. Ryan Tyndall was hired for the Sexton position. Harold Morse will work with him to train him in all of the aspects of the job.

Resident Bruce Quist was in attendance. The Supervisor received a request to issue a deed to the purchaser of his property for the piece of land that was once Taylor Rd. and abandoned several years ago. The purchaser's agent was also in attendance, and stated that they would accept a Quit-Claim Deed, if the Township would offer such. Crocker and Mr. Quist will go to the Registrar of Deeds tomorrow to get a copy of the Order of Abandonment and legal description of the piece of land, as well as attorney Alvarez in Ludington.

Clerk asked about getting a spotlight for the flag pole outside the hall. The flag is only flown on Election Day, but could be flown all year if lighting were available. Discussion was held on getting a solar light and Crocker will order one.

Motion to pay bills by Crocker, supported by Borema; carried.
